

## Session 1 Summaries

# EARCOS Grade Level Leaders (EY / Elementary)

Date: October 15, 2024

Hosts: Michael Iannini, Iris Ngai Sze Chan

## Grade Leaders Must Understand Team to Delegate Well

Grade level leaders need an intimate understanding of their team members hopes and fears so they are better positioned to support them and align their hopes with opportunities to delegate team tasks.

## Focus Inquiry Drives Professional Growth

Using a consultative process, such as the Focus Inquiry Interview, Grade Level Leaders can help team members establish professional inquiries to drive professional growth and align team members.

## Professional Inquiry Engages Colleagues in Key Solutions

Through the process of professional inquiry we invite colleagues to solve relevant questions and gain access to invaluable resources, experience and inspiration.
